Co-operative Management Education Co-operative

Addressing the need for co-operative management education...

**Saint Mary's University offers
Co-operative Management Education programs
that provides management learning and skills
needed by current and future
co-operative leaders**

"A conventional MBA did not seem like the right fit, but this Master's degree did."

Betty Bauhuis, Cornerstone Credit Union

Master's and Graduate Diploma

International management education designed to develop exceptional management skills among current and future co-operative sector leaders.

Part-time

Online

Executive Style

Multi-sector

2 program options:

Master's Program (3 years)

Graduate Diploma (16-20 months)

Part-time, executive style learning

- A one-week face to face orientation at the start of the program builds connections among the student group
- Study part-time while working in the co-operative sector
- Courses are delivered using an Online Learning Platform
- Use your co-operative as a case study throughout the program
- **Master's degree include a study tour to Italy or Spain**

“The program met and EXCEEDED MY EXPECTATIONS.”

Ron Fox , NorthEast Gas Co-op (Alberta, CA)

NEW Graduate Diploma

The Graduate Diploma in Co-operative Management is new for 2013. This graduate-level program is inter-connected with our Master's degree program and the learning approach is consistent.

Part-time

Online

Executive Style

Multi-sector

- Start the program in a combined cohort with the Master's students
- Attend the one-week face to face orientation in August
- Use your co-operative as a case study throughout
- Take foundational courses in all management disciplines, plus a final research paper catered to your interests
- Complete in 16-20 months (3 years for the Master's)
- Seamlessly apply your Diploma credits to the Master's program

Our new Graduate Diploma in Co-operative Management! We have responded to the requests from the sector for a shorter, less expensive program option.
